INTRA-AGENCY MEMORANDUM
KENTUCKY PUBLIC SERVICE COMMISSION

TO: Case File No. 2015-00343

FROM: Virginia Gregg, Staff Attorney

DATE: June 22, 2016

RE: Informal Conference of June 16, 2016

Pursuant to the Commission's Order entered on June 16, 2016, an informal conference was held in this matter on June 16, 2016. Atmos Energy Corporation ("Atmos"), represented by counsel, and the Attorney General of the Commonwealth of Kentucky, by and through his Office of Rate Intervention ("AG"), the only intervenor in this matter, participated in the conference. A copy of the sign-in sheet is attached.

During the conference, Ms. Gregg stated that Commission Staff ("Staff") would prepare a memorandum of the conference for the case record, that a copy of the memorandum would be entered into the record and that the parties would have an opportunity to submit written comments to the memorandum. Ms. Gregg stated the Commission would hold an evidentiary hearing in this case on June 28, 2016, and that Atmos should file a copy of the notice it published to its customers regarding the hearing. Ms. Gregg also stated that the purpose of the informal conference was to consider the possibility of settlement and that any views expressed by Staff would not be binding on the Commission. Finally, Mr. Raff stated that Staff was available to assist with the discussions if requested by the parties.

The parties agreed that the informal conference was for settlement purposes only and that any discussions or positions taken were limited to that purpose. During the informal conference, the parties exchanged proposals regarding outstanding issues in the case for the purpose of possible settlement, however, no settlement was reached.

There being no further business, the informal conference was adjourned.
